

Dear Sirs,

Ares Line has realized the annual general summary catalogue COLLECTION 08 that presents some important innovations such as: Amadeus, office armchair, combination of elegance and modernity. The new programme of sittings, Zero 7 and Hip up, created to establish polyfunctional, collective spaces. Furthermore, the catalogue has been enriched with the section "Solutions on Demand" dedicated to a new community armchairs concept; to satisfy client needs with customized products.

Worldwide catalogue along with Company Profile and Collection 08, creates a trilogy that provides a total image of Ares Line on the market and on its potentiality, through images of projects.

We are pleased to inform you that you could appreciate these catalogues, clicking directly the links at the bottom of the news letter.
